SUMMARY

I'm a passionate and experienced VFX Artist with a BFA in 3D Animation/VFX from the Academy of Art University. With 7 years in the Film and VFX industry, including 3 years of hands-on, professional experience. I'm excited to bring my technical proficiency and artistic vision to new and upcoming big shows and films, where I can push the boundaries of visual storytelling.

WORK EXPERIENCE

StudioX - Academy of Art University

2024-2025

Compositing Lead

- I oversaw the compositing process, ensuring the seamless integration of visual effects into live-action footage while mentoring a team of artists.
- I lead over 4 shows, 50+ shots, and worked with many other junior artists to complete each shot efficiently

StudioX - Academy of Art University

2023 - 2025

Nuke Compositor / Matchmoving Artist

- I integrated vfx elements into live-action footage using Nuke, ensuring a polished, realistic final product.
- I worked on 6 different shows with 60+ shots while at the studio
- Rotoscoping, paint-outs, keying, color correction, and CG integration are some of the tasks I was assigned for the shots I worked on

The Tavern Studio

2023 - 2025

VFX Artist

- I worked on different aspects of the ongoing project such as modeling and texturing props and feedback on shots.
